

## NICO LESS

Sedia ecosostenibile grazie alla seduta prodotta per il 70% da materiali derivanti dalla plastica riciclata e per il restante 30% in feltro. La sedia Nico Less è la risposta alla necessità di ridurre il nostro impatto sul pianeta e riscoprire i rifiuti come materiale industriale del futuro. Impilabile in altezza e perfetta per qualsiasi location. Cuscino presente su richiesta.

The Nico Less chair is an eco-sustainable chair, made by plastics resulting from recycling and felt. Nico Less chair is the answer to the human need to reduce our carbon imprint on the planet and to rediscover waste as an industrial material of the future. The chair is fully stackable and suitable to any location. Pillow available on request.
