

NOVA

Grazie alle sue linee minimali, eleganti e contemporanee, Nova offre una seduta molto spaziosa a vantaggio del comfort. Perfetta per un utilizzo residenziale o contract. Struttura realizzata in acciaio verniciato e scocca in poliuretano rigido.

The chair is characterized by a modern look and comfort without compromise. Thanks to its lightweight and robust design, the Nova chair is perfect either for contract use and for domestic use. The shell is made in rigid polyurethane and the frame is made in painted steel.
