

STEP STRINGS SLED

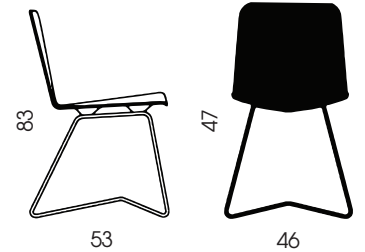

Sedia in corda con struttura della seduta in acciaio verniciato e slitta.

La seduta strings nasce dall'unione del basamento 4 gambe in varie essenze di legno e seduta in corde di poliestere con una finitura in cotone che esprime calore e comfort in qualsiasi tipo di arredo.

String chair with seat structure made in painted steel and 4 wooden legs base with sled.

The concept of the chair was born from the idea of recreating the warmth and comfort of the fabric with the use of strings with a cotton finish.
